TYRES PVT. LTD.
Vestco, Opp. Dabholi, Marolli, Thane
Complex, Umradi Road, Thane
Pin Code 400 014
Dist. Palghar, Maharashtra

Dear Client

We are a company incorporated as a Tread rubber manufacturer supplying Conventional Tread & Pre-cured tread rubber along with Bonding gum, Black Vulcanizing Solution & Under tread strip, Tyre & Tube repair Patches to our various esteemed clients of so many states and countries.

As a client centric organization we always try to produce our products as per the requirement of our esteemed clients for getting full satisfaction of our goods.

We also provide customize solution and easy mode of payments for the convenience of our quality conscious clients.

Further more We also try maintaining cordial relationship with our clients. We define ourselves not just by services we offer, we try to solve our client's problem.

We believe that without proper cooperation no business can grow up to the optimum level As we are having very long experience of 40 years of all type of tyre retreading and have faced different types of problem regarding retread materials so we have tried our level best to rectify all those problems. We hope our products will satisfy you all.

R&D

GTF materials are made to the strictest quality standard formulation for all products are developed by us to suit the exact requirement of the customer. A heavy investment in R&D has also given us access to the best testing equipment available for testing, quality control & Development.

ISO 9001-2015

Our Quality System is ISO 9001-2015 Certified by ROHS To Ensure that we provide you with Consistent Materials. On Time Every Time

PRODUCTS

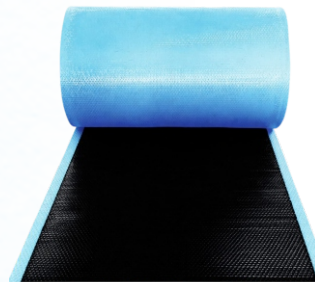

Precured Treads

Made from high mileage compounds, our treads have been accepted the world over and tested on all road conditions.

Bonding Gum

Our gum is made from 100% natural rubber to increase tack. Available in customer specified sizes also. Different types of Gum are available for both Precured and Hot process. Can be used to fill nail holes and repair injured parts of casing.

FAST CURE 99°C

Special gum that can be used to reduce cure time. Please consult us before using.

REGULAR

Black Vulcanizing Solution Available as RTU (Ready to use) and ULTRA (Thin) solution. Compatible with both precured and hot process.

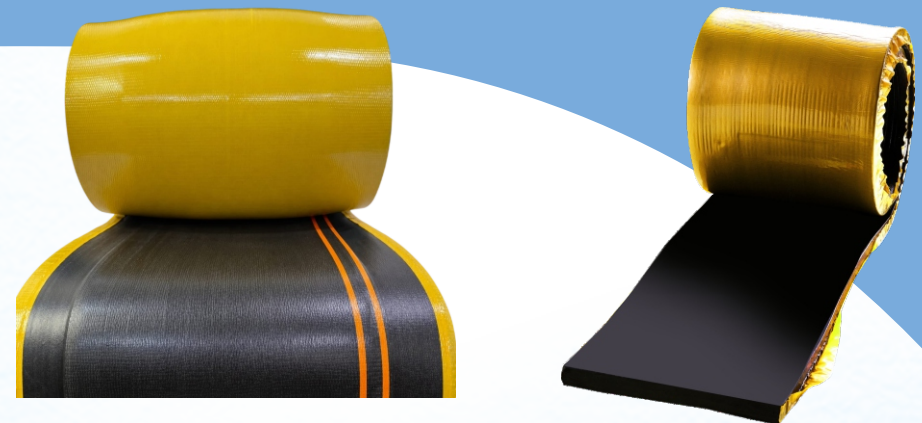

CONVENTIONAL (HOT) RUBBER

Increased scorch safety to maximise shelf life.

Different compounds available for different uses including Truck Tractor and OTR. Available in customer specified sizes.

Tread Size Range Started from 6.00.16 to 23.5.25

Under Tread Strip

Width :-

200mm, 80mm, 50mm

Thickness :-

5mm, 6mm, 3mm, 4mm,

ROAD SPECIAL

- ◆ Over 1 lakh Kilometers on good roads
- ◆ Use only for RADIAL tyres

GREEN TREADS

- ◆ 25% higher mileage than Premium
- ◆ Use for NYLON or RADIAL tyres

PREMIUM TREADS

- ◆ 25% higher mileage than Special
- ◆ Use for NYLON or RADIAL tyres

SPECIAL TREADS

- ◆ High mileage tread
- ◆ Use for NYLON or RADIAL tyres

OTR

- ◆ Specially engineered compound for OTR tyre applications with excellent durability and superior storage stability.

KISSAN SPECIAL

- ◆ Advanced tread compound designed for agricultural tyre applications ensuring longer service life and excellent durability in field conditions.

GUPTA TYRE & RETREADING CO.

All Type of Hot & Cold Rubber Retreading

TO WHOM IT MAY CONCERN

We are associated with **GTF TYRES PVT. LTD.** for the last 9 years and have been regularly using their complete range of retreading products including Precured Tread Rubber, Conventional Tread Rubber, Bonding Gum, and Retreading Solution. We are highly satisfied with the quality, mileage performance, bonding strength, and consistency of their products. **GTF** products have delivered reliable performance across multiple grades and applications, helping us maintain excellent retreading quality and customer satisfaction. At present, we are using **GTF** products almost exclusively in our retreading operations due to their dependable quality standards and professional support. We appreciate the commitment of **GTF TYRES PVT. LTD.** towards quality and innovation in the retreading industry and wish them continued success. For **Gupta Tyre & Retreading Company**.

Thank You & Regards

CUSTOMER FEEDBACK & TESTIMONIAL

TO WHOM IT MAY CONCERN

We are associated with GTF Tyres Private Limited for the last 7 years and continuously using their Precured Tread Rubber, Bonding Gum, and Tyre Retreading Solutions for our Nepal market operations. We are highly satisfied with the product quality, durability, bonding performance, and consistent supply support provided by GTF. Their products deliver reliable performance and excellent customer response in our market.

We appreciate the professional service, dependable quality standards, and long-term business relationship maintained by GTF Tyres Private Limited.

We proudly recommend GTF products for quality tyre retreading applications.
